PTO REGISTRATION

Please take a moment to register online to ensure you receive all PTO e-blast communications regarding events and volunteer opportunities. This will be especially helpful this year, with so many changes to the calendar and schedules.

To register, visit our website: <https://calvincoolidgepto.ptoffice.com/>

Returning families

Click "Profile/Register" on the top left corner of the page to log in to your existing profile. Please review and update your contact information and update your child/children's 2020-2021 class assignment. Please add any incoming kindergarten students using the "add child" frame. If your child is participating in the virtual learning option, please select the class to which they were assigned at the end of last school year. If you are unsure about your child's class assignment, please leave the selection as "not available" for now.

New families

Click "Profile/Register" to complete the simple registration process. The password for new families is: CoolidgePTO.

If you have forgotten your password

Click "Profile/Register" followed by "Request New Password".

2020-2021 Coolidge Directory Information

If you would like to be included in the Coolidge Directory, in addition to registration, please pay the membership fee (\$15 per family). After logging into your account, click "Membership Details" on the top right, followed by "Pay Unpaid Registration Fees."

Note: Only paid members (\$15 per family) will receive a paper copy of the directory. Also, if you are interested in being a class parent, your family must be paid members of the PTO; more information about that selection process will come soon, but please be sure to pay the membership fee if you are interested.

Should you have any questions or would like assistance in the registration process, please contact: Sarah Jacobsen (sarahhjacobson@gmail.com).

The PTO appreciates and thanks you for your support!
